We have finished Unit 1 Lesson 2 p. 58-78. The test will be this Friday, Dec. 14th.

The test will assess your knowledge of vocabulary and grammar and your reading, speaking, writing and listening abilities.

You should be able to :

- use the verb "gustar" to say what someone likes to do (p. 44 reviews "gustar")
- use definite and indefinite articles (p. 66)
- use noun-adjective agreement (p. 72)

The cultural questions will ask about San Antonio, Texas including the Alamo, el Paseo del Río (p. 59) and the tradition of "cascarones" (p. 75- we will talk about them tomorrow in class).

To prepare for the test you might like to review:
