

HELLO!

Dear Ms Babson and Students

I have sent you a postcard here from where I'm staying. This place is wonderful! Since it's right on the border, the Atlantic Ocean is lovely! The Andes Mts. are far away, but pretty! Argentina and Brazil border where I am, and I like to go swim in the Paraguay Rv. The Rio de la Plata emptys out here. The place here is actually the 2nd smallest country in South America, and there are alot of grassy plains here!
