QUIZ 1

PART I: Listening

A. Présentations (Introductions) (40 points)

You will hear eight young French people introduce themselves: four boys and four girls. Their names happen to be spelled exactly the same in English and in French — but of course they are pronounced differently in the two languages. The people will each introduce themselves twice. Listen carefully. After you have heard each name the second time, write it in the appropriate column: column **A** for boys' names, column **B** for girls' names.
